Dear Troy,

I want to thank you for your excellent presentation at our Annual Current Issues/Certification Conferences last September and October in Minneapolis and Memphis.

Your presentation was very well received by our attendees, and your honesty and passion truly came through in your words and revelations. You are a very motivational speaker who also has some important messages regarding physical bank security, robbery prevention and recovery, and much more. We have had robbery presentations at our conferences in the past, however, your presentation provided our attendees with a whole new perspective which was thought-provoking and powerful.

I hope we have the opportunity to work together again in the future, Troy. Thank you again for your inspiring and thoughtful presentation.

All the best,

Runay Olson
