Dear Troy:

Thank you so much for presenting such an insightful showcase presentation to our members of the Arizona Speakers Association. I also had the opportunity to hear you speak again at the National Speakers Convention when you took the main stage in front of thousands of other professional speakers – a brave accomplishment.

Your message was heart-felt and will continue to inspire and motivate thousands of others that need to hear your incredible message. You truly have a message that needs to be heard around the world. I'm honored to know you as a new friend and truly respect your courage and determination to turn your life around.

Much continued joy and success,

Debbie Allen, President
Arizona Speakers Assn. 1999 ~ 2000
