Dear Troy:

On behalf of the Mile High Chapter of ALA, I want to thank you for giving the presentation for our January luncheon. As we anticipated, your presentation was very interesting and thought provoking and very much appreciated. I heard from more than one individual that they could have listened to your life experience stories all day long.

Thanks again, Troy, for taking time out of your busy schedule to prepare, travel to Denver and make your presentation to our Chapter.

Sincerely,

Paula A. Torke
