Dear Mr. Evans,

I am sorry this letter is a long time over-due, BUT on behalf of the MPI Oregon Chapter thank you for your wonderful presentation to our chapter at our March 2006 meeting. You did a great job, and we have received numerous positive comments on your performance from several of our members. You were very engaging, entertaining and had an inspiring message as well. I would highly recommend you to any other organizations looking for a wonderful keynote address with an inspiring message. Good luck with all of your future engagements, and maybe our paths will cross again some day.

Sincerely,

Cindy Ramesh, CMP
