Dear Troy:

I am honored to be one of the privileged that have had the opportunity to hear you speak. Your presentation was one of the most emotional, moving, spiritual and inspiring presentations I have heard. I wondered why was I going to Scottsdale to hear "another motivational speaker" and I soon found out. I now know there was a reason for me to go from LA to Scottsdale.

The feedback from those who attended your presentation was extremely high. Many said they were going to recommend you to other groups. I have already recommended you to PCMA headquarters to consider using you at one of their Annual Conferences and I am recommending you to several of my clients.

I wish you a wonderful, successful life and again many thanks for sharing your life with us.

Very truly yours,
