Dear Troy:

On behalf of WorkNet Pinellas and our partners, we would like to thank you for your participation in our First Annual Workforce Youth Conference, *Breaking Down Youth Barriers and Building Employable Futures*, held on June 25, 2002. Your presentation has gone a long way to prepare our youth for successful first time entry into the workforce.

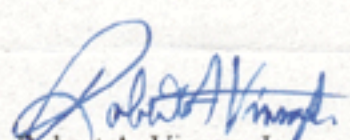

This event was exiting and challenged the Youth of Pinellas County to believe in themselves. It also provided them with the necessary tools for successful first time entry into the workforce. Your message was well understood and left a lasting impression on these youth. Your powerful approach grabbed their attention and definitely left them with tools that can be carried with them throughout their lives.

Your commitment and dedication, helped accomplish our goal of promoting academic and employment information that will assist Pinellas County Youth in achieving their career goals. Again, we say thank you for your support as a partner and in helping make this event such a great success.

Sincerely,

Bonnie Moore, Director
