Dear Mr. Evans:

Thank you for your visit to Arkansas and for sharing with the participants attending our annual Forrest Rozzell Lecture. Our hats are off to you for a job well done.

Mr. Evans, our words cannot adequately express the difference you have made in the lives of the Arkansans who were present at your lecture. The comments from the participants range from "I was inspired by his ability to overcome..." to "What a lesson he teaches us all."

On behalf of the members of the Arkansas Education Association and its staff, we wish you continued success and happiness.

Sincerely,

Sid Johnson
