Dear Troy,

I wanted to drop a note thanking you for the Keynote Presentation at the 40th Annual conference for the Florida Association of School Business Officials (FASBO) last month. It was a powerful and moving experience for all of our attendees. I know you got some immediate feedback after your speech, but I wanted to let you know that the written evaluations were also overwhelmingly positive.

It was a pleasure to have you at the conference, I just wish I could have given you more time to tell your story. I will gladly recommend you to any group that needs a lesson in overcoming adversity or the heights that a determined man can reach. Thank you once again for getting the conference off to a flying start.

Sincerely,

D. Edward Daugherty, CPA
President, FASBO 2005/06
