Dear Troy,

Thank you for the recent presentation you gave at the annual conference of the Tennessee Association of School Business Officials. Your message of hope and possibility through education gave all of us a renewed sense of purpose, and sent us back to our school districts with renewed faith and enthusiasm for the work that we do.

Our membership was thoroughly captivated by your message and we heard many words of praise for your accomplishments and your presentation after the conference. The ratings for your presentation were among the highest of any of our speakers. Your honesty and sincerity showed through your entire presentation, and left our members feeling as if they too could overcome whatever obstacles life holds for them.

Once again, on behalf of TASBO, I thank you for sharing your message with us at our conference. I hope that our paths cross again in the future. I wish you the very best in all that the future holds for you.

Sincerely,

Maryanne M. Durski
TASBO President - 2007
