Dear Troy:

I would just like to follow up the Alaska Credit Union League annual meeting with a note of thanks for your presentation on the final day of our meeting. It was the perfect closing to the meeting, and tied in the together the theme I'd planned for the speakers superbly.

As the Chairman of the Alaska Credit Union League said during our final banquet, "Troy Evans' story grabbed everyone by the heart and kept a hold of us the entire presentation." Your speech definitely shows change is not only possible, but is achievable no matter where you see yourself in life.

As the chairman of the ACUL meeting, I enjoyed working with you to set up the presentation and am very impressed by your professionalism and attention to detail. It was a pleasure working with you, and I am looking forward to the day we can again develop a program to inform, educate and engage an Alaska audience!

Sincerely,
