Dear Troy:

You brought down the house with your amazing story of personal triumph, the inspiration of a child, and your continuing recovery. Our audience was mesmerized as you portrayed your painful and uplifting life story. You even provided practical tips on how to handle a bank robbery situation and yet left the audience inspired with your life lessons of happiness, success and perseverance.

The effectiveness of your presentation was evident in the comments we received throughout our convention 2005. Your evaluation rating was exceptional.

It was a pleasure to work with you and I wish you continued success in the future. Thank you for contributing to the success of our convention. You are an inspiration to all.

Sincerely,

Maelynn Lewis-Lee
President
