Dear Troy:

On behalf of the officers of the Chicago Area Chapter, Illinois Banker's Association, thank you for providing our members a keen insight into your previous life.

As we go about our daily tasks, bankers sometime become too complacent about certain security issues. You know the old saying "it only happens to the other guy". Our members heard valuable facts and have a clearer perception as to what motivates criminals to do what they do and why. Hearing from you first hand, your presentation was compelling; I only wish I could have brought my entire staff.

Best wishes on your goals to expand your message.

Sincerely,

Ron Shropshire
