Dear Troy,

Thank you so much for making our seminar titled "What You Can't Afford to Ignore" presented by SHRM of NM State Council a big success. You delivered an attention grabbing presentation that drew a large number of members to our first seminar of the year.

Your outstanding presentation showed what anyone can accomplish given the right determination and desire to achieve. I thank you for taking time out of your busy schedule to fly to Albuquerque, NM to share your story with us.

Best wishes to you in the future and I would highly recommend any organization or group interested in your presentation to contact me should they want to hear a first hand testimonial.

Thank you,
