Dear Troy:

On behalf of the SHRM Missouri State Council and the Conference Planning Committee, I would like to thank you for serving as opening keynote speaker at the August 2005 SHRM Missouri State Conference. The goal for the opening speaker is to motivate attendees and start their conference off on an encouraging note. That goal was accomplished with your presentation.

Your honesty in sharing your story captivated the audience. Your story is certainly an inspirational one, and your message very effective and powerful. If we each can approach and overcome adversity in our jobs and lives the way you have in your life, our organizations will be the better for it. We will be the better for it.

The attendees were very complimentary of your presentation. Some of the comments made are: "inspirational, constructive message;" "great, what an inspiration;" and "very powerful." Your session received an overall "excellent" rating, which speaks to you and your story.

Thank you, again, for your efforts in making the 2005 SHRM MO State Conference a success. I wish you the best as you share your story with others, and hope they, too, will benefit from it as we did.

Regards,

Teresa J. Long, PHR
