Dear Troy:

Enclosed please find a reimbursement check for your expenses in conjunction with the Raleigh-Wake Human Resource Management Association (RWHRMA) program you presented on Tuesday, March 15, 2005 at the Women's Club in Raleigh NC.

Thank you so much for speaking to our group. I was so disappointed that I could not be there to hear your inspiring story, but have heard many wonderful things from our attendees. Everyone seems to have enjoyed your presentation and connected with your story in a personal way. On our evaluation form you scored all 4's & 5's! Phil purchased your CD and I am looking forward to listening to it. Thanks again and best wishing in your future success.

Sincerely,

Amy Jelovsek
