TO: Whom It May Concern

Troy Evans spoke to our faculty in March 2004. His message was well received and his presentation was powerful. His speaking skills are excellent. He received a standing ovation from our 150 teachers. I have been the staff development director for 10 years in this district, Troy's standing O was the first I have seen here a Beloit-Turner.

I highly recommend Troy Evans as a motivational speaker. He is one of the best speakers we have ever had.

Sincerely,

Dr. William L. Beckley
Asst. Superintendent
School District of Beloit-Turner
