Dear Troy,

**The faculty and students at Canaan Middle School want to thank you for a truly inspirational talk about the directions your life has taken. As one student put it, "It was amazing how Mr. Evans showed that when his life was as low as it could be, he made the effort to completely turn it around and become a successful person." Your presentation was quite simply overwhelming and you made an impact on our students.**

**We look forward to having you back in Ohio again. Meanwhile, we wish you continued success.**

Sincerely,

Harriet L. Merriman
