Dear Troy:

Rock Hill School District Three of York County is very appreciative of the opportunity we had to host your presentation within our school community. We have had many positive comments from our students, staff, foundation members, and faculties regarding the relevance of your message...the impact decisions have on one's life direction.

You have a meaningful, poignant message to share and it definitely has resounding call to action for all students and their families. We are certain that you had a positive influence on many of our high school students.

Thank you for all you do for young people and their families!

Sincerely,

Luanne L. Kokolis, Ed. D.
