Dear Troy,

What an honor it was to have you as our guest speaker on September 11, 2002. The assembly we had on this special day was not only for reflecting and remembering, but also for new commitment, change and new beginnings. Your powerful message was so fitting, an inspiration to all of us. We left that day with a renewed sense of purpose.

Thank you again for sharing your life experiences with us. We are sure that you have made a difference in many lives, just as you have made a lasting impression on ours.

Sincerely,

Cedar High School
