Dear Troy,

The first time I heard you speak I knew that I needed you to speak at my school. You definitely made an impact on me. I want to thank you for working with me to make it affordable for you to come to our small school.

When you came to the Chester Area School you had an immediate impact on our students. It's great to see your heartfelt story unfold. You definitely made a difference in our student's lives. YOU are a must for every student in our state to hear. I hope that you will be able to come back to South Dakota soon.

If there is ever anything that I can do to help you get more speaking engagements just let me know. You are truly an amazing young man and I wish you the best.

Sincerely,

**Mark Greguson, Superintendent**
